

Easy Ride

Madonna

1. I want the good life
But I don't want an easy ride
What I want is to work for it
Feel the blood and sweat on my fingertips
That's what I want for me
2. I want to know everything
Maybe someday I will
What I want is to find my place
Breathe the air and feel the sun on my children's face
That's what I want
- R: I go round and round just like a circle
I can see a clearer picture
When I touch the ground I come full circle
To my place and I am home
I am home
3. I want to let go of all
disappointment that's waiting for me
What I want is to live forever
Not defined by time and space, it's a lonely place
That's what I want
- R: I go round and round just like a circle... (2x)
