## **Gang Bang**

Madonna

Like a bitch out of order Like a bat out of hell Like a fish out of water I'm scared, can't you tell Bang bang Bang bang

I thought you were good, but you painted me bad Compared to the others, you're the best thing I had Bang bang, shot you dead Bang bang, shot you dead

I thought it was you and I loved you most But I was just keeping my enemies closest I made a decision I would never look back So how did you end up with all of my jack Bang bang, shot you dead Bang bang, shot you dead (in the head)

Bitch out of order Bat out of hell Fish out of water I'm scared, can't you tell Bang bang, shot you dead Bang bang, shot you dead

I made a decision I would never look back So how did you end up with all of my jack Bang bang, shot you dead Bang bang, shot you dead

Bang bang, shot you dead Shot my lover in the head Bang bang, shot you dead And I have no regret Bang bang (shot you dead, in the head) Bang bang, shot you dead Shot my lover in the head

And then I discovered It couldn't get worse You were building my coffin You were driving my hearst Bang bang, shot you dead Bang bang, in the head

I thought it was you and I loved you most But I was just keeping my enemies closest I made a decision I would never look back So how did you end up with all of my jack Bang bang, shot you dead (in the head)

Bang bang, shot you dead Shot my lover in the head Bang bang, shot you dead And I have no regret Bang bang (shot you dead, in the head) Bang bang, shot you dead Shot my lover in the head

I need you to die for me baby You have to die for me baby That's right, you have to die for me baby How could I move on with my life If you didn't die for me baby If you didn't die for me baby I need you to die for me baby

Bang bang, shot you dead Shot my lover in the head Bang bang, shot you dead Shot my lover in the head Bang bang, shot you dead Shot my lover in the head Now my lover is dead And I have no regrets He deserved it

And I'm going straight to hell And I've got a lot of friends there And if I see that bitch in hell I'm gonna shoot him in the head again 'Cause I wanna see him die Over and over Now drive bitch I said, drive bitch And while you're at it, die bitch That's right, drive bitch

Now drive bitch I said, drive bitch And while you're at it, die bitch That's right, drive bitch

Now if you're gonna act like a bitch Then you're gonna die like a bitch
