

Get Stupid

Madonna

Who is the master and who is the slave? (Robotic Voice)

Tic Tac, Tic Tac (4x)

Get Stupid... (Get Stupid) (4x)

Get Stupid... Don't Stop it... (Get Stupid)

Get up...

It's time...

Your life...

Your world...

Get up...

It's time...

Your life...

Your choice...

It's time for you to read the signs

Your world...

Your choice...

You don't have the luxury of time

Tic Tac, Tic Tac

Get Stupid... (Get Stupid) (4x)

Get Stupid... Don't Stop it... (Get Stupid)

Get up...

It's time...

Your life...

Your world...

Get up...

It's time...

Your life...

Your choice...

You have got to say what's on your mind

the time is now...

if you wait too long it'll be too late

let's go... (4x)

the time is right now

you got to decide

say what you like

there ain't no time to loose (2x)

the time is right now (...it's time)

you got to decide (...get up)

say what you like (...the time)

there ain't no time to loose (...is now) (2x)
