

Holy Water

Madonna

I can give you everything that you want
You can't buy this in a luxury store
There's a place you have to go
Before I let you take it all
It's like a drug
It should be illegal

Baby you should get down low
And drink my precious alcohol
You look so thirsty
I think you need it

Kiss it
Kiss it back
Doesn't it taste like holy water?
Doesn't it taste like holy water?
Kiss it back
Make it wet
Doesn't it taste like holy water?
Kiss it better
Kiss it better

I can teach all the things you don't know
It's rare like making something you wanna own
Bitch get out my poem
Bitch get out my poem

There's something you got to hear
It's secret and immaculate
I can let you in Heaven's door
I promise you it's not a sin
Find salvation right within
We can do it here on the floor

Kiss it
Kiss it back
Doesn't it taste like holy water?
Doesn't it taste like holy water?
Kiss it back
Make it wet
Doesn't it taste like holy water?
Kiss it better
Kiss it better

Doesn't it taste like holy water?
Like holy water
Doesn't it taste like holy water?
Like holy water
Doesn't it taste like holy water?
Like holy water
Doesn't it taste like holy water?
Doesn't it taste like holy water?
Like holy water
Doesn't it taste like holy water?
Doesn't it taste like holy water?
Like holy water
Doesn't it taste like holy water?
