

# How High

Madonna

How high are the stakes  
How much fortune can you make

It's funny  
I spent my whole life wanting to be talked about  
I did it  
Just about everything  
To see my name in lights

Was it all worth it  
And how did I earn it  
Nobody's perfect  
I guess I deserve it

How high are the stakes  
How much fortune can you make  
Does this get any better  
Should I carry on  
Will it matter when I'm gone  
Will any of this matter

It's funny  
How everybody mentions my name  
But they're never really nice  
I took it  
Just about everything  
Except my own advice

Was it all worth it  
And how did I earn it  
Nobody's perfect  
I guess I deserve it

How high are the stakes  
How much fortune can you make  
Does this get any better  
Should I carry on  
Will it matter when I'm gone  
Will any of this matter

(nothing lasts forever)  
(doesn't make a difference)

How high  
Doesn't make a difference  
Nothing lasts forever  
Should I  
Will it matter when I'm gone  
Will any of this matter

How high are the stakes  
How much fortune can you make  
Should I carry on  
Will it matter when I'm gone  
How high are the stakes

How much fortune can you make

Does this get any better  
Should I carry on  
Will it matter when I'm gone  
Will any of this matter
