

## I Deserve It

Madonna

This guy was meant for me  
And I was meant for him  
This guy was dreamt for me  
And I was dreamt for him

This guy has danced for me  
And I have danced for him  
This guy has cried for me  
And I have cried for him

R: Many miles, many roads I have traveled  
Fallen down on the way  
Many hearts, many years have unraveled  
Leading up to today

This guy has prayed for me  
And I have prayed for him  
This guy was made for me  
And I was made for him

R: Many miles...

I have no regrets  
There's nothing to forget  
All the pain was worth it

Not running from the past  
I tried to do what's best  
I know that I deserve it

R: Many miles... (2x)

And I thank you
