

I Love New York

Madonna

I don't like cities
But I like new york
Other places make me feel like a dork
Los Angeles is for people who sleep
Paris and London
Baby you can keep

Other cities always make me mad
Other places always make me sad
No other city ever made me glad except New York
I love New York (3x)

If you don't like my attitude
Then you can F off
Just go to Texas
Isn't that where they golf

New York is not for little pussies who scream
If you can't stand the heat
Then get off my street [repeat]

Other cities always make me mad
Other places always make me sad
No other city ever made me glad except New York
I love New York (3x)

I love New York (2x)
Get off my street (2x)
