

# I'm a Sinner

Madonna

Like the sun, like the light, like the flame  
Like the storm I burn through everything  
Like a bomb in the night, like a train  
Thunder rings through the hills, let it rain

Ah, ooo-woo-ooo-hooo  
Ah, woo-oo-hoo-hoo  
I'm a sinner, I like it that way  
Ah, ooo-woo-ooo-hooo  
Ah, woo-oo-hoo-hoo  
I'm a sinner, I like it that way

All the boys, all the boys and girls  
Wanna be like us tonight  
All the boys, all the boys and girls  
Have the magic pass tonight

I'm a sinner, I'm a sinner  
I'm a sinner, I like it that way  
I'm a sinner, I'm a sinner  
I'm a sinner, I like it that way

Like a moon with no light of my own  
Surf's the sky for a place to call home  
I woke up with my head in the fire  
Get my kicks when I'm walking the wire

Ah, ooo-woo-ooo-hooo  
Ah, woo-oo-hoo-hoo  
I'm a sinner, I like it that way  
Ah, ooo-woo-ooo-hooo  
Ah, woo-oo-hoo-hoo  
I'm a sinner, I like it that way

All the boys, all the boys and girls  
Wanna be like us tonight  
All the boys, all the boys and girls  
Have the magic pass tonight

I'm a sinner, I'm a sinner,  
I'm a sinner, I like it that way  
I'm a sinner, I'm a sinner,  
I'm a sinner, I like it that way

I'm a sinner, I'm a sinner  
I'm a sinner, I like it that way  
I'm a sinner, I'm a sinner  
Praise the Lord and I like it that way

Hail Mary, full of grace  
Get down on your knees and pray  
Jesus Christ, hanging on the cross  
Died for our sins, it's such a loss

Saint Christopher, find my way  
I'll be coming home one day  
Saint Sebastian, don't you cry

Let those poison arrows fly

Saint Anthony, lost and found  
Thomas Aquina, just stand your ground  
All those saints and holy men  
Catch me before I sin again

Oooh-ooo-woo-hoo  
Oooh-ooo-woo-hoo  
I'm a sinner, I like it that way  
Oooh-ooo-woo-hoo  
Oooh-ooo-woo-hoo  
I'm a sinner, I like it that way

I'm a sinner, I'm a sinner  
I'm a sinner, I like it that way  
I'm a sinner, I'm a sinner  
I'm a sinner, I like it that way

You're a sinner, you're a sinner  
You're a sinner, you like it that way  
We're all sinners, we're all sinners  
We're all sinners

I'm a sinner  
I'm a sinner  
I'm a sinner  
I like it that way

Hail Mary, full of grace (the Lord is with me)  
Hail Mary, full of grace (your love is with me)  
Full of grace
