

Illuminati

Madonna

It's not Jay-Z and Beyoncé;
It's not Nicki or Lil Wayne;
It's not Oprah and Obama, the Pope and Rihanna;
Queen Elizabeth, or Kanye.

It's not pentagrams or witchcraft;
It's not triangles or stacks of cash;
Black magic or Gaga, Gucci or Prada
Riding on the Golden Calf.

The all-seeing eye is watching tonight,
That's what it is: Truth in the Light.
The all-seeing eye is watching tonight,
Nothing to hide, secrets in sight.

It's like everybody in this party's
Shining like Illuminati. (Oh-wo-oh-oh-wo-oh-oh...)

It's like everybody in this party's
Shining like Illuminati. (Oh-wo-oh-oh-wo-oh-oh...)

It's the Enlightenment that started it all;
The Founding Fathers wrote it down on a wall,
And now the Media's misleading us all:
"Turn right, and turn wrong."

It's time to dance and turn this dark into somethin';
So let the fire burn, this music is bumpin'.
We're gonna live forever, love never dies,
It starts tonight...

Rihanna don't know the New World Order;
It's not platinum-encrypted commerce;
It's not Isis or the Phoenix;
The Pyramids of Egypt;

Don't make it into something sordid.

It's not Steve Jobs or Bill Gates;
It's not the Google of United States;
It's not Bieber or Lebron, Clinton, or a bomb;
Or anyone you love to hate.

The all-seeing eye is watching tonight,
That's what it is: Truth in the Light.
The all-seeing eye is watching tonight,
Nothing to hide, secrets in sight.

It's like everybody in this party's
Shining like Illuminati. (Oh-wo-oh-oh-wo-oh-oh...)

It's like everybody in this party's
Shining like Illuminati. (Oh-wo-oh-oh-wo-oh-oh...)

You know that everything that glitters ain't gold;
So let the music take you out of control,
It's time to feel it in your body and soul:

Come on, let's go...

We're gonna dance and turn the dark into somethin';
So let the fire burn, this music is bumpin'.
We're gonna live forever, love never dies,
It starts tonight...

It's like everybody in this party's
Shining like Illuminati. (Oh-wo-oh-oh-wo-oh-oh...)

It's like everybody in this party's
Shining like Illuminati. (Oh-wo-oh-oh-wo-oh-oh...)

It's like everybody in this party's
Shining like Illuminati. (Oh-wo-oh-oh-wo-oh-oh...)

It's like everybody in this party's
Shining like Illuminati. (Oh-wo-oh-oh-wo-oh-oh...)

It's like everybody in this party's
Shining like Illuminati. (Oh-wo-oh-oh-wo-oh-oh...)

It's like everybody in this party's
Shining like Illuminati. (Oh-wo-oh-oh-wo-oh-oh...)

It's like everybody in this party's
Shining like Illuminati. (Oh-wo-oh-oh-wo-oh-oh...)
