

# Into The Groove

Madonna

And you can dance  
For inspiration  
Come on  
I'm waiting

R: Get into the groove  
Boy you've got to prove  
Your love to me, yeah  
Get up on your feet, yeah  
Step to the beat  
Boy what will it be

Music can be such a revelation  
Dancing around you feel the sweet sensation  
We might be lovers if the rhythm's right  
I hope this feeling never ends tonight

Only when I'm dancing can I feel this free  
At night I lock the doors,  
Where no one else can see  
I'm tired of dancing here all by myself  
Tonight I wanna dance with someone else

R: Get into the groove...

Gonna get to know you in a special way  
This doesn't happen to me every day  
Don't try to hide it love wears no disguise  
I see the fire burning in your eyes

Only when I'm dancing can I feel this free  
At night I lock the doors,  
Where no one else can see  
I'm tired of dancing here all by myself  
Tonight I wanna dance with someone else

R: Get into the groove...

Live out your fantasy here with me  
Just let the music set you free  
Touch my body, and move in time  
Now I now you're mine  
You've got to...  
Live out your fantasy here with me  
Just let the music set you free

Touch my body, and move in time  
Now I now you're mine  
You've got to...

R: Get into the groove... (2x)
