

Little Star

Madonna

Never forget who you are
Little star
Never forget how to dream
Butterfly

God gave a present to me
Made of flesh and bones
My life, my soul
You make my spirit whole

Never forget who you are
Little star
Shining brighter than all the stars in the sky
Never forget how to dream
Butterfly
Never forget where you come from
From love

You are a treasure to me
You are my star
You breathe new life
Into my broken heart

Never forget who you are
Little star
Never forget how to dream
Butterfly

May the angels protect you
And sadness forget you
Little star

There's no reason to weep
Lay your head down to sleep
Little star

May goodness surround you
My love I have found you
Little star

Shining bright

You breathe new life
Into my broken heart

Never forget who you are
[Whispered:] Little star
Shining brighter than all the stars in the sky
Never forget how to dream
Butterfly
Flying higher than all the birds in the sky

Never forget who you are
Little star
Never forget where you come from
From love

Little star
Little star
Little star From love
