

# Love Makes the World Go Round

Madonna

Make love not war we say  
It's easy to recite  
But it don't mean a damn  
Unless we're gonna fight  
But not with guns and knives  
We've got to save the lives  
Of every boy and girl  
That grows up in this world

There's hunger everywhere  
We've got to take a stand  
Reach out for someone's hand  
Love makes the world go round  
It's easy to forget  
If you don't hear the sound  
Of pain and prejudice  
Love makes the world go round

They think that love's a lie  
But we can teach them how to try  
Love means to understand  
Reach out for someone's hand  
'Cause everything you do  
Comes back in time to you  
We have to change our fate  
Before it gets too late

There's hunger everywhere  
We've got to take a stand  
Reach out for someone's hand  
Love makes the world go round  
It's easy to forget  
If you don't hear the sound  
Of pain and prejudice  
Love makes the world go round

Don't judge a man 'til you've been standin' in his shoes  
You know that we're all so quick to look away  
'Cause it's the easy thing to do  
You know that what I say is true

Love makes the world go round...

Make love not war we say  
It's easy to recite  
But it don't mean a damn  
Unless we're gonna fight

There's hunger everywhere  
We've got to take a stand  
Reach out for someone's hand  
Love makes the world go round  
It's easy to forget  
If you don't hear the sound  
Of pain and prejudice  
Love makes the world go round
