Material Girl

Madonna

Some boys kiss me, some boys hug me I think they're O.K. If they don't give me proper credit I just walk away

They can beg and they can plead But they can't see the light, that's right 'Cause the boy with the cold hard cash Is always Mister Right, 'cause we are

Living in a material world And I am a material girl You know that we are living in a material world And I am a material girl

Some boys romance, some boys slow dance That's all right with me If they can't raise my interest then I Have to let them be

Some boys try and some boys lie but I don't let them play Only boys who save their pennies Make my rainy day, 'cause they are

Living in a material world And I am a material girl You know that we are living in a material world And I am a material girl

Living in a material world (material) Living in a material world Living in a material world (material) Living in a material world

Boys may come and boys may go And that's all right you see Experience has made me rich And now they're after me, 'cause everybody's

Living in a material world And I am a material girl You know that we are living in a material world And I am a material girl

A material, a material, a material, a material world

Living in a material world (material) Living in a material world
