

# Paradise (Not for Me)

Madonna

I can't remember  
When I was young  
I can't explain  
If it was wrong  
My life goes on  
But not the same  
Into your eyes  
My face remains

(I've been so high)  
I've been so down  
(Up to the skies)  
Down to the ground

I was so blind  
I could not see  
Your paradise  
Is not for me

Autour de moi  
Je ne vois pas  
Qui sont les anges  
Surement pas moi  
Encore une fois  
Je suis cassee  
Encore une fois  
Je n'y crois pas  
All around me  
I could not see  
Who are the angels  
Surely not me  
Once more again  
I am broken  
Once more again  
I don't believe it

I've been so high  
I've been so down  
Up to the skies  
Down to the ground

There is a light  
Above my head  
Into your eyes  
My face remains

I can't remember  
When I was young  
Into your eyes  
My face remains

Into your eyes  
My face remains
