

# Rain

Madonna

R: Rain, feel it on my finger tips  
Hear it on my window pane  
Your love's coming down like  
Rain, wash away my sorrow  
Take away my pain  
Your love's coming down like rain

1. When your lips are burning mine  
And you take the time to tell me how you feel  
When you listen to my words  
And I know you've heard, I know it's real  
Rain is what the thunder brings  
For the first time I can hear my heart sing  
Call me a fool but I know I'm not  
I'm gonna stand out here on the mountain top till I feel your

R: Rain, feel it on my finger tips...

2. When you looked into my eyes  
When I turned the other way did you hear me say  
did you hear me say I'd wait for all the dark clouds  
bursting in a perfect sky  
You promised me when you said goodbye  
That you'd return when the storm was done  
And now I'll wait for the light, I'll wait for the sun till I feel your

R: Rain, feel it on my finger tips...

Here comes the sun, here comes the sun  
And I say, never go away

Waiting is the hardest thing  
(It's strange I feel like I've know you before)  
I tell myself that if I believe in you  
(And I want to understand you)  
In the dream of you  
(More and more)  
With all my heart and all my soul  
(When I'm with you)  
That by sheer force of will  
(I feel like a magical child)  
I will raise you from the ground  
(Everything strange)  
And without a sound you'll appear  
(Everything wild)  
And surrender to me, to love

Rain is what the thunder brings  
For the first time I can hear my heart sing  
Call me a fool but I know I'm not  
I'm gonna stand out here on the mountain top till I feel your
