

Ray Of Light

Madonna

Zephyr in the sky at night I wonder
Do my tears of mourning
Sink beneath the sun
She's got herself a universe gone quickly
For the call of thunder, threatens everyone

And I feel like I just got home. And I feel
And I feel like I just got home. And I feel

Faster than the speeding light she's flying
Tying to remember where it all began
She's got herself a little piece of heaven
Waiting for the time when earth shall be as one

And I feel like I just got home. And I feel
And I feel like I just got home. And I feel

Quicker than a Ray of Light
Quicker than a Ray of Light
Quicker than a Ray of Light

Zephyr in the sky at night I wonder
Do my tears of mourning
Sink beneath the sun
She's got herself a universe gone quickly
For the call of thunder, threatens everyone

And I feel
Quicker than a Ray of Light
Then gone for someone else will be there
Trought the endless year

She's got herself a universe
She's got herself a universe
She's got herself a universe

And I feel, and I feel, and I feel
Like I just got home
And I feel

Quicker than a Ray of Light she's flying
Quicker than a Ray of Light I'm flying
