

Slut

Madonna

Darkness in your cold eyes
Is a sign that something is not right
You think that there's no love inside of me
Then why you don't stay on that lonely street

R: Why are you still coming back
Don't you see that crack
Inside my soul outside my heart
Boy I'm not your slut

You abandon but then come back
But I am not your bitch nor a wreck
I'm not gonna open this door anymore
Baby stop thinkin' that I am your whore

R: Why are you still...

I will not do what you want me to do
I have enough
To be a slut
I deserve someone's attention
And if this is perfection
Then there's no place for you
That slut you knew said last word to you

R: Why are you still...

RAP:

You made awful bitch from me
But this pose I'm gonna leave
I am something more
Get off my door
I'm not ashamed for what I did
Because it was not me
This song is my last dot
Mother fucker I am not a slut
