

# True Blue

Madonna

Hey!  
What?  
Listen...

I've had other guys  
I've looked into their eyes  
But I never knew love before  
'Til you walked through my door  
I've had other lips  
I've sailed a thousand ships  
But no matter where I go  
You're the one for me baby this I know, 'cause it's

R: True love  
You're the one I'm dreaming of  
Your heart fits me like a glove  
And I'm gonna be true blue baby I love you

I've heard all the lines  
I've cried oh so many times  
Those tear drops they won't fall again  
I'm so excited 'cause you're my best friend  
So if you should ever doubt  
Wonder what love is all about  
Just think back and remember dear  
Those words whispered in your ear, I said

R: True love... (2x)

No more sadness, I kiss it good-bye  
The sun is bursting right out of the sky  
I searched the whole world for someone like you  
Don't you know, don't you know that it's

True love, oh baby, true love, oh baby  
True love, oh baby, true love it's  
True love, oh baby, true love, oh baby  
True love, oh baby, true love it's

True, so if you should ever doubt  
Wonder what love is all about  
Just think back and remember dear  
Those words whispered in your ear, I said

No more sadness, I kiss it good-bye  
The sun is bursting right out of the sky  
I searched the whole world for someone like you  
Don't you know, don't you know that it's

R: True love...

'Cause it's

True love, oh baby, true love, oh baby  
True love, oh baby, true love it's  
True love, oh baby, true love, oh baby  
True love, oh baby, true love...
