Strike a pose

Vogue, vogue, vogue  
Vogue, vogue, vogue

Look around, everywhere you turn is heartache  
It's everywhere that you go (look around)  
You try everything you can to escape  
The pain of life that you know (life that you know)

When all else fails and you long to be  
Something better than you are today  
I know a place where you can get away  
It's called a dance floor, and here's what it's for, so

Come on, vogue  
Let your body move to the music (move to the music)  
Hey, hey, hey  
Come on, vogue  
Let your body go with the flow (go with the flow)  
You know you can do it

All you need is your own imagination  
So use it, that's what it's for (that's what it's for)  
Go inside, for your finest inspiration  
Your dreams will open the door (open up the door)  
It makes no difference if you're black or white  
If you're a boy or a girl  
If the music's pumping it will give you new life  
you're a superstar, yes, that's what you are, you know it

Come on, vogue  
Let your body groove to the music (groove to the music)  
Hey, hey, hey  
Come on, vogue  
Let your body go with the flow (go with the flow)  
You know you can do it

Beauty's where you find it  
Not just where you bump and grind it  
Soul is in the musical  
That's where I feel so beautiful  
Magical, life's a ball  
So get up on the dance floor
