

# Where Life Begins

Madonna

Warm inside, yeah  
I'd like to direct your attention  
To something that needs directing to  
A lot of people talk about  
Dining in and eating out  
I guess that's what this song's about

I know this is not a dining room conversation  
And you don't have to listen if you don't have the time  
But let me remind you in case you don't already know  
Dining out can happen down below

Everybody's talkin' 'bout  
Wanting that and needing this  
I'd just like to know  
If you want to learn a different kind of kiss

So won't you go down where it's warm inside  
Go down where I cannot hide  
Go down where all life begins  
Go down that's where my love is

Now what could be better than a home cooked meal  
How you want to eat it depends on how you feel  
You can eat all you want and you don't get fat  
Now where else can you go for a meal like that  
It's not fair to be selfish or stingy  
Every girl should experience eating out  
Sometimes when I come home from a hard day at work  
I swear it's all I can think about

Everybody's talkin' 'bout  
Wanting that and needing this  
I'd just like to know  
If you want to learn a different kind of kiss

So won't you go down where it's warm inside  
Go down where I cannot hide  
Go down where all life begins  
Go down that's where my love is

Colonel Sanders says it best  
"Finger lickin' good"  
Let's put what you've learned to the test  
Can you make a fire without using wood  
Are you still hungry; aren't you glad we came  
I'm glad you brought your raincoat  
I think it's beginning to rain

So won't you go down where it's warm inside  
Go down where I cannot hide  
Go down where all life begins  
Go down that's where my love is

Everybody's talkin' 'bout  
Wanting that and needing this  
I'd just like to know

If you want to learn a different kind of kiss

That's where my love is

Come inside

That's where all life begins

It's warm inside
