

# Your Honesty

Madonna

It's your honesty  
With you I have no choice  
When you talk to me  
I could make love to your voice  
It's the things I see  
When I look into your eyes  
It's your honesty  
Pulling me closer to you baby  
You know you drive me crazy

You are one of a kind and I want you to remain that way  
Pulling me closer to you  
You have a special quality  
You're bringing out the best in me  
You have a special quality  
You are pulling me closer to you

It's your honesty  
With you I have no choice  
When you talk to me  
I could make love to your voice  
It's the things I see  
When I look into your eyes  
It's your honesty  
Pulling me closer to you baby  
You know it just gets better

This is the way it should be  
You know the truth will set you free, so free  
Pulling me closer to you  
You have a special quality  
You're bringing out the best in me  
You have a special quality  
You are pulling me closer to you

It's your honesty  
With you I have no choice  
When you talk to me  
I could make love to your voice  
It's the things I see  
When I look into your eyes  
It's your honesty  
Pulling me closer to you baby

Embrasse moi mon amour  
Où que ce soit pour toujours  
Dis moi la vérité  
Oui je sais pour toujours

You have a special quality  
You're bringing out the very best in me  
You have a special quality  
You are pulling me closer to you

Honesty

It's your honesty

With you I have no choice  
When you talk to me  
I could make love to your voice  
It's the things I see  
When I look into your eyes  
It's your honesty  
Pulling me closer to you baby

It's your honesty  
It's your honesty
