

Terraplane

Madrugada

Lord, throw your mercy down
And burn, burn me to, to the ground

Oh I'm gonna ride a terraplane to the ground, now
I'm gonna ride a terraplane
I'm gonna ride it to the ground
To the ground

So you send your mercy down
Oh

Oh I'm gonna fall
I'm gonna ride a terraplane
I'm gonna ride a terraplane to the ground
To the ground

Oh
I'm gonna ride a terraplane
I'm gonna ride it to the ground
I'm gonna ride a terraplane
I'm gonna ride it to the ground
