

# Terraplane

Madrugada

Lord, throw your mercy down  
And burn, burn me to, to the ground

Oh I'm gonna ride a terraplane to the ground, now  
I'm gonna ride a terraplane  
I'm gonna ride it to the ground  
To the ground

So you send your mercy down  
Oh

Oh I'm gonna fall  
I'm gonna ride a terraplane  
I'm gonna ride a terraplane to the ground  
To the ground

Oh  
I'm gonna ride a terraplane  
I'm gonna ride it to the ground  
I'm gonna ride a terraplane  
I'm gonna ride it to the ground
