

# Two Black Bones

Madrugada

Ooooooh! Shaaaaah!  
Ooooooh! Shaaaaah!  
Ooooooh! Two black bones  
Two black bones

And a home in the woods  
Two black bones  
Two black bones  
Two black bones

And a home in the woods  
One more time  
Two black bones  
Two black bones  
Two black bones

And a home in the woods, uuuuh  
Ooooooh!

Ooooooh! Shaaaaah!  
Shaaaaah! Ooooooh!  
Ooooooh! Shaaaaah!

One more shot  
One more shot  
One more shot

And I'll be gone  
Two black bones  
Two black bones  
Two black bones

And a home out in the woods  
Yeah  
Oh yeah

I had a dog  
I had a dog  
I had a dog

Now he is gone  
We put in the ground  
Oh  
Blankets wrapped around his angry sleep

Leaving cancer there to burn and  
Ache in a barren land, ah  
Ooooooh! Shaaaaah!  
Ooooooh! Shaaaaah!

The dog in his grave  
Oh, come on!  
Oh, whoooh!  
Stop!  
Whooh!  
Oh yeah

I had a dog  
I had a dog  
I had a dog  
Now he is gone  
Gone, gone, gone!

Oh, it makes me want to sing  
Makes me want to sing
