Absent minded walking around in the streets of Berlin My trunk is the only true picture of my pressence

I don't feel pain - I don't feel any pleasure
My juvenile senses are caught in a cobweb

Life is just another Casual Cliché

Where is God and the meaning anyway Life is just another Casual Cliché Don't go mad - just go away

How I wish that I could feel love and desire the way that I use $\mbox{\bf d}$ to

I can't remember last time I cried or laughed for real

I want to break down - I want to break free If I could just sense that way again

Life is just another Casual Cliché

Where is God and the meaning anyway

Life is just another Casual Cliché Don't go mad - just go away
