

Something Wild

Mads Langer

Wake up pretty girl
You've got something going on and it might hurt you in the end
You will realize that you have gone too far

Let go pretty girl
The end of lonely days are near so seize the next and know
You have done enough to get your dad's acception

She was waiting for something wild to happen
And then he chose to drop by
She was waiting for something wild to happen
And then he chose to give it a try

Slow down blue-eyed boy
You run too fast I know it's a blast to reach the dream of your
s

Don't stop blue-eyed boy
Your passioned mind is blinding you
So open up your eyes - cause there are other matters you must p
ay
attention to

He was waiting for something wild to happen
And then she chose to drop by
He was waiting for something wild to happen
And then she chose to give it a try

Wild - so wild
We're going wild - so wild
We're going wild - I'm no longer blind

I was waiting for something wild to happen
And then you chose to drop by
I was waiting for something wild to happen
And then you chose to give it a try
