Shadows Of Tomorrow

Madvillain

Today is the shadow of tomorrow Today is the present future of yesterday Yesterday is the shadow of today The darkness of the past is yesterday

And the light of the past is yesterday The days of yesterday are all numbered in sum In the world once Because once upon a time there was a yesterday

Yesterday belongs to the dead Because the dead belongs to the past The past is yesterday Today is the preview of tomorrow but for me

Only for my better and happier point of view My point of view is the thought of a better or try Reality is today of eternity The eternity of yesterday is dead

Yesterday is as one The eternity of one is the eternity of the past The past is once upon a time Once upon a time is past

The past is yesterday today The past is yesterday today While we're searchin' for tomorrow

The light of the past is the light which was The wisdom of the past is the light of the past The light of the future is the light which is to be The wisdom of the future is the light of the future see

Yesterday belongs to the dead Tomorrow belongs to the living The past is certified as a finished product Anything which has ended is finished

That which is perfect is finished The perfect man is no exception to the rule The perfect man of the past is made according to the rule of the past The rule of the past is a law of injustice and hypocrisy The revelation of the meaning of the law is revealed through the law itself

The wisdom of the past is the light of the past The light which is to be the wisdom of the future The light of the future casts the shadows of tomorrow
