

## The Great Man's Secrets

Magazine

My lifetime's habits will remain  
this crush of hearts won't go away  
tonight, one way, once and for all  
good times aren't possible today

I took a little poison  
I took it carefully  
it built for me  
a house on fire  
this poison takes after me

This poison came too far to fail  
desire unwinds in the last hour  
within, the bed is overturned  
my host, the antidote is sour

I took a little poison ...

Now put me down upon the lawn  
right here - next to my favourite tree  
I'm being foolish - can't you tell!  
they all look just the same to me

I took a little poison ...
