

Close Your Eyes

Maggie Reilly

The sun is slowly sinking down
But the moon surely rises
So this old world must still be spinning around
Oh, and I still love you
So close your eyes
You can close your eyes
It's all right
I don't know the love songs
I can't sing the blues anymore
Oh, but I can sing this song
And you can sing this song
When I'm gone
It won't be long before another day
Hey, we're gonna have a good time
And no one's gonna take that time away
You can stay as long as you like
So close your eyes
You can close your eyes
It's all right
I don't know the love songs
I can't sing the blues anymore
Oh, but I can sing this song
And you can sing this song
When I'm gone
