## I Think It's Gonna Rain

**Maggie Reilly** 

Broken windows and empty hallways Pale dead moon in a sky streaked with grey Human kindness overflowing And I think it's gonna rain today

Scarecrows dressed in latest styles With frozen smiles to keep love away Human kindness overflowing And I think it's gonna rain today

Lonely, lonely Tin can at my feet Think I'll kick it down the street That's the way you treat a friend

Bright before me the signs implore me Help the needy and show them the way Human kindness overflowing And I think it's gonna rain today

Lonely, oh so lonely Tin can at my feet Think I'll kick it down the street That's the way you treat a friend

Bright before me the signs implore me Help the needy and show them the way Human kindness overflowing And I think it's gonna rain today

Human kindness, it's overflowing And I think it's gonna rain today
