The last that ever she saw him

Carried away by a moonlight shadow

He passed on worried and warning

Carried away by a moonlight shadow

Lost in a riddle that Saturday night

Far away on the other side.

He was caught in the middle of a desperate fight

And she couldn't find how to push through

The trees that whisper in the evening Carried away by a moonlight shadow Sing a song of sorrow and grieving Carried away by a moonlight shadow All she saw was a silhouette of a gun Far away on the other side.

He was shot six times by a man on the run And she couldn't find how to push through

I stay, I pray
See you in Heaven, far away
I stay, I pray
See you in Heaven, one day

Four a.m. in the morning
Carried away by a moonlight shadow
I watched your vision forming
Carried away by a moonlight shadow
A star was glowing in a silvery night
Far away on the other side
Will you come to talk to me this night
But she couldn't find how to push through

I stay, I pray See you in Heaven, far away I stay, I pray See you in Heaven, one day

Far away on the other side.

Caught in the middle of a hundred and five The night was heavy and the air was alive But she couldn't find how to push through

Carried away by a moonlight shadow Carried away by a moonlight shadow Far away on the other side
