

True Colours

Maggie Reilly

You with the sad eyes
Don't be discouraged though I realise
It's so hard to take courage
In a world for the people
You can lose sight of it
And the darkness inside you
Makes you feel so small
I see your true colours shining through
Your true colours, that's why I love you
Don't be afraid to let them show
Your true colours, true colours
How beautiful, like a rainbow
Give us a smile
Don't be unhappy, can't remember when
I last saw you laughing
This world can make you crazy
When you take in all that you can
When you call me up
You know I'll be there
I see your true colours shining through
Your true colours that's why I love you
No, don't be afraid, just let them show
Your true colours, true colours
How beautiful, like a rainbow
And I last see you laughing
I see your true colours, shining through
Your true colours, that's why I love you
Don't be afraid, no, you let them show
Your true colours, true colours
They are beautiful like a rainbow
