

Breakout

Maggie Rose

You know I look good in stripes
Take my picture with my number
But the jailhouse ain't my type
I can't stand it any longer

Ooh, baby, I've got to breakout
Ooh, baby, I've got to breakout

Jailbreak, sweet escape
Let's crush the walls down
Jailbreak, sweet escape
Get off the ground

Chains can't hold me
Two, three, four, I'll be out the door
Breakout, got to breakout
Breakout, got to breakout

Tip toe slowly
When all lights out gonna hit the floor
Breakout, got to breakout
Breakout, got to breakout

Ooh, can't catch me 'cause I'm cool
Ooh, can't catch me 'cause I'm cool, breakout

It's too dark to see
You know that this could mean disaster
Got the spotlight chasing me
But my feet are moving faster

Ooh, baby, I've got to breakout
Ooh, baby, I've got to breakout

Jailbreak, sweet escape
Let's crush the walls down
Jailbreak, sweet escape
Get off the ground

Chains can't hold me
Two, three, four, I'll be out the door
Breakout, got to breakout
Breakout, got to breakout

Tip toe slowly
When all lights out gonna hit the floor
Breakout, got to breakout
Breakout, got to breakout

Ooh, can't catch me 'cause I'm cool
Ooh, can't catch me 'cause I'm cool, breakout
Break, break, break, breakout
Get off the ground, freeze

Chains can't hold me
Two, three, four, I'll be out the door
Breakout, got to breakout

Breakout, got to breakout

Tip toe slowly
When all lights out gonna hit the floor
Breakout, got to breakout
Breakout, got to breakout

Ooh, can't catch me 'cause I'm cool
Ooh, can't catch me 'cause I'm cool
