Amoxycillin

When I dream that I'm retarded Head to head extreme agression I can't get you to take any notice Gotta stop wanting all your attention All your attention When my heart decides to stop I'll take you in and see the cops yeah Carcass flames are everywhere I gotta stop wanting all your attention All your attention Starting from my liver to my brain Things will never be the same again I cant get out of my hospital bed I gotta stop wanting all your attention All your attention **Magic Dirt**
