

# Before The War

## Magic Kingdom

Nowhere to hide, nowhere to run;  
You have to fight in the tournament of hell  
Nowhere to hide, nowhere to run;  
You have to fight in the tournament of hell  
Death from above, unholy spy  
Black angels fly to steal the light  
We march for the lord, through the sea of ice  
Black angels fly to the temple of light  
Death from the sky, unholy eye  
Black angels fly to steal the light  
We march for the crown, to the mountains of ice  
Black angels stole the children of light  
The Angel: ah ah ah  
The Black Angels: My Master, we captured the children of the Holy Temple and we are coming back to you& Ascaroth  
Ascaroth/Prince of southern Hell: Tell me, Tazira, is your brother still spying for us?  
The Witch: Yes, My Lord, the King believes in every word he says&  
Ascaroth: my unholy angels, I will now send a messenger to Abadon, the hidden path will be open again, so he can  
Prepare the infernal troops.  
The Witch: oh-ahhhhhhhhhhh!  
The Knight: You've lost the battle. Once again, you are in the shadows  
The Witch: I am banished from the kingdom but now I am with my unholy father  
The Angel: Stay away from the sacred keepers, stay away from the holy temple  
The Demon: It's too late, they are in my realm, forever in the south of hell

The Knight: Sinners, we will kill you, we'll hunt you down  
The Knight + the Angel + the King: legions of darkness must pay  
The Witch + the Demon: Now, your kingdom is blessed no more, we'll never give you back the children of light!

The King + the Knight: black angels betrayed us, they stole the stone that protects our people from sins  
The Demon: Wings of death will burn your lands  
The Witch: Unholy reign will rule your world.

The Knight: The journey begins, we'll ride with the wind  
The Knight + the Angel: We must find the last mystic dragon land  
The King + the Knight: We'll capture the beast, he will tell us the way  
+ Angel: to find out the Demon's den in hell and save our keepers

The Witch + the Demon: Slaves of god!

Before the Apocalypse; war of the black angels  
Before the Apocalypse, the holy light must be back  
Before the Apocalypse; war of the black angels  
Before the Apocalypse, the holy light must be back

Nowhere to hide, nowhere to run;  
You have to fight in the tournament of hell  
Nowhere to hide, nowhere to run;  
You have to fight in the tournament of hell

The Demon: My spy was always there, watching over silently  
The King: My golden defenders are now ready to strike,  
The Knight + King: The gate of hell must stay closed eternally

The Witch: My damned brother, son of evil, has his shadow within your walls  
The Angel: With the white magic of our wizard  
The Knight + the Angel: We'll be able to find out this traitor  
The King + Angel: Prepare for war, my glorious knights, fight for the holy throne  
The Knight + Angel + King: Freedom and eternal light  
The Demon + the Witch: I was born of fire, a thousand Demons will raise  
The Demon + Witch: from the eternal cages of hell  
The Knight: The Wizard (has) revealed the name of the spy  
+ The Angel: We are coming to your infernal realm  
The Demon: He'll never tell you the way to the gate  
The Witch: His soul is black  
The Witch + Demon: His mind is ruled by the evil forces

The Knight: Now is the time, we're facing our fate, to kill or to die is our destiny to save our children!  
The Witch + the Demon: We 'll get your souls!

Before the Apocalypse; war of the black angels  
Before the Apocalypse, the holy light must be back  
Before the Apocalypse; war of the black angels  
Before the Apocalypse, the holy light must be back

Nowhere to hide, nowhere to run;  
You have to fight in the tournament of hell  
Nowhere to hide, nowhere to run;  
You have to fight in the tournament of hell

Bridge/epic choirs

The Knight:

Ride with the wind, to save the king  
Ride with the wind, to save the holy child  
Ride with the wind, to save the holy child  
Ride with the wind, to save the king, fight for the light  
In the name of hope and misery,  
Ride with the wind, to save the child, fight for the light  
In the name of hope and misery.
