

## Monte Cristo

Magic Kingdom

I was a mariner, on the ship 'The Pharaoh'  
But I was wrongly accused, betrayed by my best friend  
Now my fate has changed, lost in a prison cell  
On an island far from home

I'm still alive; I am Monte Cristo  
I am here for you  
You will die in the holy flames of my revenge

After 14 years of pain, 14 years of loneliness  
The Abbot has revealed the secret treasure's place.  
From the dungeon I escaped, and I found the hidden gold  
Now is time for vengeance, yeah!

I'm still alive; I am Monte Cristo  
I am here for you  
You will die in the holy flames of my revenge

Aah aah aah  
I'm still alive; I am Monte Cristo  
I am here for you  
You will die in the holy flames of my revenge, yeah!
