

# Mama Didn't Raise No Fool

Magic!

Mama says, "Love is once in a lifetime  
How you gonna find love at nights for the one time?"  
See the thing about me, it's just not the right time  
Mama says, "Son, you can't fight the sunshine"

I did not come here tonight  
To be struck by your light  
But here I stand in your glow  
Should I stay? Should I go?

I wanna run, I wanna run from you  
But mama didn't raise no fool  
Mama didn't raise no fool (no fool)  
I wanna run, I wanna run from you  
But mama didn't raise no fool  
Mama didn't raise no fool (no fool)

Mama says, "Lately I don't recognize you  
But if this is who you wanna be you've got the right to"  
(You buried your heart so guilt could never find you)  
But mama says, "Love will find the boy that I knew"

I did not come here tonight  
To be brought back to life  
But here I stand in my grave  
Second chance is your name

I wanna run, I wanna run from you  
But mama didn't raise no fool  
Mama didn't raise no fool (no fool)  
I wanna run, I wanna run from you  
But mama didn't raise no fool  
Mama didn't raise no fool (no fool)

I loved you since I said, "Hello"  
I need you much more than I know  
I did not come here tonight  
To be struck by your light  
But here I stand in your glow  
Should I stay? Should I go?

I wanna run, I wanna run from you  
But mama didn't raise no fool  
Mama didn't raise no fool (no fool)  
I wanna run, I wanna run from you  
But mama didn't raise no fool  
Mama didn't raise no fool (no fool)

Mama didn't raise, mama didn't raise, no  
Mama didn't raise no fool
