

# No Sleep

Magic!

I get no sleep, I get no sleep  
I get no sleep, I'm wide awake  
I get no sleep, I get no sleep  
I get no sleep, I'm wide awake

It's four o'clock in the morning  
I can't sleep cause the dog keeps snoring  
And then the baby starts crying  
Waking up my girl, she's trying to get a couple hours in  
Before we gotta make them breakfast  
Then rush to the school again, every damn day

And I get no sleep, I get no sleep  
I get no sleep, I'm wide awake  
I get no sleep, I get no sleep  
I get no sleep, I'm wide awake

Two kids and a mortgage  
We had to put our old life in storage  
Our single friends don't call us  
Cause we'd rather grab drinks at Starbucks

We go to the zoo a lot  
We've watched every Disney movie  
We love everything we got  
But I swear these days

That all I wanna do is lie in bed with you

But no, I get no sleep, I get no sleep  
I get no sleep, I'm wide awake  
I get no sleep, I get no sleep  
I get no sleep, I'm wide awake  
I said I get no sleep

I get no sleep, I get no sleep  
I get no sleep, I'm wide awake  
I get no sleep, I get no sleep  
I get no sleep, I'm wide awake

I get no sleep, I get no sleep  
I get no sleep, I'm wide awake  
I get no sleep, I get no sleep  
I get no sleep, I'm wide awake

I get no sleep, I get no sleep  
I get no sleep, I'm wide awake  
I get no sleep, I get no sleep  
I get no sleep, I'm wide awake
