

A great vacation
No other holiday
Don't turn the light on
You don't intend to stay
That guy is dead, yeah
And there's no guarantee
Don't turn the light on
Cause there's too much to see
And I'm feeling better but....
I don't wanna go, don't wanna go
I don't wanna go, don't wanna go
The thorough? fallout
I see it on the ground
Into the car then
Until the walls break down
A great vacation
No other holiday
Don't turn the light on
You don't intend to stay
And I'm feeling better but....
I don't wanna go, don't wanna go
I don't wanna go, don't wanna go
I don't wanna go, don't wanna go
I don't wanna go, don't wanna go
I don't wanna go, don't wanna go
I don't wanna go, don't wanna go
I don't wanna go, don't wanna go
I don't wanna go, don't wanna go
