

# Butterflies are Blue

Magneta Lane

Change  
Always is so nice  
Didn't even notice  
Just as long as I was right

Hearts  
Though they sometimes care  
Our minds remain the rebels  
And the dream was never there

Save myself again  
Save myself again  
Oh I save myself again  
Oh yes I save myself again  
Yah

Time  
Handles everything  
Waiting is a talent  
At the end it all begins

Our hearts  
Though they sometimes care  
My mind remained the rebel  
And the love was never there

Save myself again  
Save myself again  
Oh I save myself again  
Oh yes I save myself again  
Save myself again  
Oh I save myself again  
Oh yes I save myself again  
Yes I save myself again
