

Hard To Love A Man

Magnolia Electric Co.

It was hard to love a man like you
Goodbye was half the words you knew
While you was waiting for me not to call
I sent my love (2x)
In a life built out of only goodbye
Is there even room for you to try
While you was waiting for me not to call
I sent my love (2x)
It was hard to love a man like you
Goodbye is just what you do
In a life built out of only goodbye
is there even room for you (2x)
While you was waiting for me not to call
I sent my love (2x)
