

Born to Be King

Magnum

New broom had swept
And did collect
A thousand tears
From far and near
The time had come
The chosen one
A welcome guest
By children blessed

The door's unlocked
The walls are down
No more to wear
The thorny crown
The game is up
No fooling now
The power is on
For everyone

He was born to be king
Alone in peace he'd bring
He was born to be king
Look down to teach and sing
Justify everything

He was born to be king
He was born to be king
He was born to be king
He was born to be king
He was born to be king
He was born to be king
He was born to be
He was born to be king
He was born to be
He was born
He was born
He was born
He was born
He was born
He was born
He was born
Born, he was born
He was born
He was born
He was born
He was born

He was born to be king
Alone in peace he'd bring
He was born to be king
Look down to teach and sing
Justify everything

He was born to be king
Alone in peace he'd bring
He was born to be king
Look down to teach and sing
Justify everything
