

# Born to Be King

Magnum

New broom had swept  
And did collect  
A thousand tears  
From far and near  
The time had come  
The chosen one  
A welcome guest  
By children blessed

The door's unlocked  
The walls are down  
No more to wear  
The thorny crown  
The game is up  
No fooling now  
The power is on  
For everyone

He was born to be king  
Alone in peace he'd bring  
He was born to be king  
Look down to teach and sing  
Justify everything

He was born to be king  
He was born to be king  
He was born to be king  
He was born to be king  
He was born to be king  
He was born to be king  
He was born to be  
He was born to be king  
He was born to be  
He was born  
He was born  
He was born  
He was born  
He was born  
He was born  
He was born  
Born, he was born  
He was born  
He was born  
He was born  
He was born

He was born to be king  
Alone in peace he'd bring  
He was born to be king  
Look down to teach and sing  
Justify everything

He was born to be king  
Alone in peace he'd bring  
He was born to be king  
Look down to teach and sing  
Justify everything
