## **Born to Be King**

## Magnum

New broom had swept And did collect A thousand tears From far and near The time had come The chosen one A welcome guest By children blessed

The door's unlocked
The walls are down
No more to wear
The thorny crown
The game is up
No fooling now
The power is on
For everyone

He was born to be king
Alone in peace he'd bring
He was born to be king
Look down to teach and sing
Justify everything

He was born to be king He was born to be He was born to be king He was born to be He was born Born, he was born He was born He was born He was born He was born

He was born to be king
Alone in peace he'd bring
He was born to be king
Look down to teach and sing
Justify everything

He was born to be king
Alone in peace he'd bring
He was born to be king
Look down to teach and sing
Justing Wever thing
