

# Doors to Nowhere

Magnum

Up every day  
Took my clothes off the chair  
Poured out a drink  
From the old Frigidaire  
Some magazines  
By the fire, never touched  
Shiny red step  
Always cleaned, always brushed

Now those days are gone  
Gone for us all  
They won't return  
Once there was a time  
You may recall

Over the wasteland  
The full moon would rise  
Hot summer nights  
Put the stars in our eyes  
Caught in the storm  
Between thunder and rain  
Ran down the hillside  
Like we were insane

Behind doors to nowhere  
We hide our childhood dreams  
We pass time without care  
Deceive when we're not there

The sun blinds pulled down  
Made the walls tangerine  
Dancers in white  
Playing their tambourines  
Slow dusty trains  
Disappeared in the haze  
Coaches arrived  
At the crowded cafes

Now those days are gone  
Gone for us all  
They won't return  
Once there was a time  
You may recall

Over the wasteland  
The full moon would rise  
Hot summer nights  
Put the stars in our eyes  
Caught in the storm  
Between thunder and rain  
Ran down the hillside  
Like we were insane

Behind doors to nowhere  
We hide our childhood dreams  
We pass time without care  
Deceive when we're not there

Over the wasteland  
The full moon would rise  
Hot summer nights  
Put the stars in our eyes  
Caught in the storm  
Between thunder and rain  
Ran down the hillside  
Like we were insane

Behind doors to nowhere  
We hide our childhood dreams  
We pass time without care  
Deceive when we're not there
