

If I Ever Lose My Mind

Magnum

Tired & neglected
Lost for the moment
Thoughts are collected
Never relent

Cold winds are blowin'
Green fields are empty
Rivers are flowin'
Back to the sea

The clock in the courtyard
Chimes out it's message
And witness the changes
They're meant to be

I wouldn't change it for a thousand years
If I ever lose my mind
It's not the way that anythin' appears
And I won't let it all unwind
It's a journey to the promised land
I don't know how long it takes
Pretty soon I'll have to play my hand
After all they're my mistakes

Caught in the shadows
Hiding completely
All good intentions
Carry the day

I've no objection
No need to worry
It's pure invention
It takes me away

I wouldn't change it for a thousand years
If I ever lose my mind
It's not the way that anythin' appears
And I won't let it all unwind
It's a journey to the promised land
I don't know how long it takes
Pretty soon I'll have to play my hand
After all they're my mistakes

I really don't know where we are
Or what we've become
In time these things will come to pass
Before we're undone

I wouldn't change it for a thousand years
If I ever lose my mind
It's not the way that anythin' appears
And I won't let it all unwind
It's a journey to the promised land
I don't know how long it takes
Pretty soon I'll have to play my hand
After all they're my mistakes
