

Stormbringer

Magnum

Something here's going to end your life
Steely sword or assassin's knife
Your mother born with eyes unseen
Captured in her velvet dream

Ooh, Stormbringer
Elric was a proud prince and lord
Ooh, Stormbringer
Crimson-eyed albino's magic sword

Past the void of time and space
Purple robe and a sacred place
You kneel beside enchanted lakes
The secret thoughts your will to make

Ooh, Stormbringer
Elric was a proud prince and lord
Ooh, Stormbringer
Crimson-eyed albino's magic sword

Ooh, Stormbringer
Elric was a proud prince and lord
Ooh, Stormbringer
Crimson-eyed albino's magic sword

In the palace of a thousand eyes
Seeing nothing but telling lies
By the castle of a hundred tears
Hearing nothing pass through the years

Ooh, Stormbringer
Elric was a proud prince and lord
Ooh, Stormbringer
Crimson-eyed albino's magic sword

Ooh, Stormbringer
Elric was a proud prince and lord
Ooh, Stormbringer
Crimson-eyed albino's magic sword
