He's Got the Whole World in His Hands

Mahalia Jackson

He's got the whole world in His hand He's got this whole, right in His hand He's got this whole world right in His hand He's got the whole wide world in His hand

He's got the whole world right in His hand He's got the whole world in His hand He's got the whole world right in His hand He's got the whole wide world in His hand

He's got everybody here right in his hand He's got everybody here right in his hand He's got everybody here right in his hand He's got the whole wide world in His hand

If religion was a thing, money could buy The whole wide world in His hand The rich would live and the poor would die The whole wide world in His hand

So bet He's got the whole world right in His hand He's got the whole world right in His hand He's got this great big world right in His hand He's got the whole wide world in His hand

He's got the little bitter baby in His hand He's got the little bitter baby right in His hand He's got the little bitter baby in His hand He's got the whole wide world in His hand
