

Search Me Lord

Mahalia Jackson

While I'm down here livin',
Lord, search my heart... [repeat]
You know, Lord, whether I'm right.
You know, Lord, whether I'm wrong.
You know, Lord,
whether I'm right or wrong.

While I'm down here prayin'...

While I'm testifyin'...

While I'm singing, "I'm holy"...

While I'm singin' Your praises...

While I tell the sinner man to pray...
