

## Walk On By Faith

Mahalia Jackson

We cannot see in the future, no Lord  
And we cannot see through dark cloud, Lord  
We cannot see, Lord, through all of our tear drop, oh Lord  
Walk on by faith each day

Walk on, Lord, by faith each day  
We cannot see, Lord, through our tear drop  
And it's hard to smile through all our trial  
We cannot see, Lord, through all of our pitfall

Lord, have mercy  
Oh, happy to walk on  
Oh, by faith, Lord, each day  
Oh, happy to walk on  
Oh, by faith, Lord, each day

On a Monday, I walk on,  
On a Tuesday, Lord, I keep walking on  
And I led by Jesus, Jesus, be  
Lord, You'd be my guide, Lord

Yes, I know Your able, carry my load  
And You can see Lord, see Lord, down the road  
Yes, happy to walk on  
Oh, by faith, Lord each day

Yes, happy to walk on  
Oh, by faith, each day
